AEROGREEN 4025 HIGH PRESSURE CLEANER

Product Description:

Aerogreen 4025 High Pressure Cleaner is made to clean various concrete surfaces to remove dirt, oils, mold and mildew. The use of **Aerogreen 4025** will maintain the integrity of the concrete surfaces.

Features:

Concentrated solution
Acts quickly to dissolve dirt, grease, oils
Safe for waste systems
Oil/water separator compatible

Benefits:

Dilution flexibility
Labor savings
Environmentally safe
Will leave no residue

Application Guidelines:

Use as a pre-soak cleaner: Dilute **Aerogreen 4025** 3:1 (3 parts water to 1 part 4025). Add to pump or low pressure sprayer. Spray the entire area to be cleaned and let soak for 10-15 minutes depending upon the level of dirt and grime. Rinse entire the surface with water using hose or power washer.

Use of Power Washer to clean: Wet the entire surface to be cleaned. Apply **Aerogreen 4025** based on dilution chart:

PSI:	<u>Dilution (water to Aerogreen)</u>
100-500	8:1
500-1000	10:1
1000-2000	15:1
2000-3000	20:1
3000+	25:1

Rinse with power washer and let dry.

Specifications:

Readily Biodegradable	Yes
Flammable	No
Combustible	No
Water Solubility	100%
Contains Terpenes	No
Caustics	No
Oil/Water separator compatible	No
pH of Concentrate	12.0-12.3
Color/Characteristics	Blue/Liquid

SAFETY/CAUTION:

Rubber gloves are recommended to prevent drying of the skin. Wear goggles to protect eyes if splashing is expected. When heated above 125 F, mechanical or local ventilation is required. When using product in steam cleaning and/or pressure washing applications wear a rain suit and boots to keep clothes dry. Harmful if swallowed. Avoid getting into eyes. If contact occurs, flush with running water. If irritation persists get medical attention. May cause dryness of skin with prolonged use, wash hands with cold water and apply a hand lotion.
