

AEROGREEN 4110 PAINT PREP

AEROGREEN 4110 PAINT PREP The most common method of surface preparation is solvent wipe-on, wipe-off. **AEROGREEN 4110 Paint Prep** is a direct drop in replacement for solvent type cleaners such as Lacquer thinner, MIBK, MEK, IPA, Acetone and other hazardous high VOC solvents.

AEROGREEN 4110 PAINT PREP is the best way of cleaning metal of oils, dirt, grease, waxes, polishing compounds, salts, soluble oils, drilling and cutting compounds and other surface contaminants that will prevent the coatings from adhering to metal surfaces as outlined in SSPC-SPI International Standards. **AEROGREEN 4110 Paint Prep** is a pre paint cleaner prior to coating, in-between primer and top coat, and as a final clean to make items customer ready.

AEROGREEN 4110 PAINT PREP The quality of the surface preparation has a direct relationship with the final surface coatings and therefore it cannot be emphasized enough that for good and permanent adhesion. The use of **AEROGREEN 4110 Paint Prep** will ensure a superior surface preparation for all types of liquid and powder finishes.

Before and After Sand Blasting

For: General Industrial,
Automotive, and
Architectural job shops
and manufacturers.

For Transportation

For General Industrial

For Ferrous and Non
Ferrous substrates
including:

- Aluminum
- Cast Iron
- Chrome
- Cold Roll
- Copper
- Composites
- Fiberglass
- Galvanized
- Mild Steel
- Painted Wood
- Titanium
- Tin
- Tool Steel
- Stainless Steel

For Automotive

For Powder Coating

For Window and Door composites

Technical Information

Aerogreen Product Number

4110GT-12 (Case 12-32 oz Containers)
4110G4 (Case 4-1 Gal Containers)
4110P- 5- Gallon Pail
4110D-55- Gallon Drum
4110T275-275 Gallon Tote
4110T330- 330 Gallon Tote

Product Description:

AEROGREEN 4110 Paint Prep is a liquid concentrate to be diluted with water primarily at the rate of three parts water to one part cleaner:

Features:

- Compatible with all paints
Water Reducible
- Ease of Application
- Can be used for final customer prep
- Direct drop in replacement for solvents

Benefits:

- No rinsing
- Leave no residue
- Low VOC's
- Promotes adhesion
- Dispose used rags into trash

Application guidelines:

For all wipe-on wipe-off process prior to paint. Dip a clean, lint free cloth into **Aerogreen 4110 Paint Prep** diluted 3:1 with water. Wring the cloth out so that it is saturated, but not dripping. Wipe a small area at a time to remove dirt and oils and contaminants. Wipe the same area dry with a clean, dry cloth to remove all the contaminants and insure the surface is dry and ready for paint

For use in pump sprayer. Dilute **Aerogreen 4110 Paint Prep** 3:1 with water. Spray parts to be cleaned. Remove loosened soils by wiping with the surface with a clean, dry cloth to remove all the contaminants and insure the surface is dry and ready for paint.

For customer final prep-prior to shipping - dilute **Aerogreen 4110 Paint Prep** 3:1 with water and use the directions above for wipe-on wipe-off to clean to clean freshly painted surface, after all components are assembled onto the item and the item is ready to ship to the customer. **Aerogreen 4110 Paint Prep** will not de-gloss the freshly painted surface.

Specifications:

• Readily Biodegradability	Yes
• Flammable -Combustible	No
• SCAQMD Certified	Yes
• Contains Terpenes	No
• Caustics	No
• pH @ Concentrate	12.0-12.3
• pH @ 1-3 dilution	10.0-11.0
• Density lbs./per gal	8.9 Lbs./per gal
• Color/Characteristic	Green/Liquid

Safety/Caution:

Rubber gloves are recommended to prevent drying of the skin. Goggles are recommended to protect eyes if splashing is expected. When using in dip tanks heated above 125 F, mechanical or local ventilation is required. When using product in steam cleaning and/or pressure washing applications, wear a protective suit and boots to keep clothes dry. Harmful if swallowed. Avoid getting into eyes. If contact occurs, flush with running water. If irritation persists, get medical attention. May cause dryness of skin with prolonged use, wash hands with cold water and apply a hand lotion.

Compatibility:

AEROGREEN 4110 Paint Prep is compatible with most industrial paints, coatings and primers. Will also work with Powder Coatings, Lacquers, Acrylic Enamels, Fast Drying Coatings, Solvent Based, Latex and Alkyd Paints, Water-Based Finishes/Primers, Polyurethane, Automotive Clear Coats, Military Coatings, Epoxy Finishes/Primers, Plastic Finishes/Primers, Pigmented Topcoatings, Water based and Alkyd Stains.
