

AEROGREEN AC-10 RUST REMOVER AND METAL PREP READY TO USE WIPES

AEROGREEN AC-10 Rust Remover and Metal Prep Ready To Use (RTU) Wipes are pre-made using the AC-10 formulation that uses a phosphoric acid and detergent blend to clean metal surfaces. They are made to remove rust, profile steel, cast iron, galvanized metals, zinc, and high polished aluminum prior to paint, or, to prepare a surface for a subsequent chemical coating, including liquid, and powder coating finishing systems.

Underlying Rust

Rust under Paint

Technical Information

Aerogreen AC-10 RTU Wipes

One tub = 200 wipes

Four tubs = ONE Case

Stock Number AC-10RTU- Case

Product Description:

AEROGREEN AC-10 RUST REMOVER AND METAL PREP READY TO USE (RTU) WIPES removes rust from metal surfaces and prepares the surfaces for new protective coatings including all General Industrial and Automotive primers and finishes.

Features:

Ready made with AC-10 formulation
Available in convenient tub for ease of
transporting Contains no hazardous solvents

Benefits:

Quick way to removes rust in small areas
Labor savings for job site touch up
Environmentally friendly

Application Guidelines:

Remove rust and flash rusting on all metals including steel, cast iron, aluminum, galvanized, copper, nickel, brass:

Wipe surface using the **AC-10 RTU Wipe** to remove all surface contaminants and while wiping the rusted areas. Turn the cloth as you clean to prevent the wiping area from cross contamination of soils. Use enough wipes to leave the surface wet. Wipe surface dry using a clean, lint free cloth. No rinsing necessary. The Wipes will remove the passivation on galvanized surfaces.

Remove weld splatter: Use the wipes to clean, prep and prepare newly welded metal areas for paint or powder coat applications. The wipes will insure proper adhesion on these areas. Use a clean, dry lint free cloth to wipe the surface dry.

Specifications:

- | | |
|----------------------------|-----------------------------|
| • Boiling Point | 212F (100C) |
| • Water Solubility | 100% |
| • Color/Characteristics | Clear/Saturated White Cloth |
| • VOC's | None |
| • Flammable/Combustible | No |
| • Density lbs/per gl | 8.25lbs/gl |
| • pH of Concentrate | 1.5-3.0 |
| • Specific Gravity (H2O=1) | 1.025@20C |
| • Odor | None |
| • Ready To Use | Yes |

SAFETY/CAUTION: Rubber gloves are recommended to prevent drying of the skin. Goggles are recommended to protect eyes if splashing is expected. Harmful if swallowed. Avoid getting into eyes. If contact occurs, flush with running water. If irritation persists, get medical attention. May cause dryness of skin with prolonged use, wash hands with cold water and apply a hand lotion.
