

**FinTec specializes in providing solutions
to your industry's toughest surface preparation needs.**

Abrasive Blast Equipment

- Automated Blasting Systems
- Manual Blast Cabinets (Suction & Pressure)
- MicroBlasters
- Wheel Blast Machines
- Vapor(Wet) Blasting Cabinets
- Portable Pressure Vessels

Abrasive Blast Media

- Aluminum Oxide
- Glass Beads
- Silicon Carbide
- Crushed Glass
- Steel Shot & Grit
- Cut Wire Pellets
- Ceramic Beads
- Walnut Shell
- Baking Soda
- Ground Corn Cob
- Plastic

Abrasive Blasting Supplies

- Nozzles
- Hoses
- Couplings
- CO2 Monitors
- Blasting Gloves
- Helmets
- CPF Filters

Supplied Air

- Compressors (Rotary Screw, Reciprocating)
- Air Dryers

Shot Peening

- Custom Designed Equipment
- Almen Gauges
- Spare Parts
- Peening Media (Cut wire, Steel, Glass, Ceramic)

Mass Finishing Equipment

- Vibratory Bowls and Tubs
- Centrifugal Disk Machines
- High Energy Barrel Machines
- Drag Finishing Equipment
- Plunge Finishing Equipment
- Micro Finishing Equipment

Mass Finishing Media

- Ceramic
- Plastic
- Steel
- Corn Cob
- Walnut Shell

Mass Finishing Waste Water Treatment

- Centrifugal Systems
- Replacement Cartridges and Bags for All Brands

Equipment Relines & Coatings

- Urethane
- Vulcanized Rubber
- PVC

Chemicals

- Vibratory Applications
- Washer Applications
- Surface Prep Applications

Mechanical Deburring

- High Efficiency Deburring Machines
- Edge Rounding
- Surface Finishing Machines

Paint Booths & Finishing Systems

- Powder Coating Booths
- Grinding Booths
- Paint Booths
- Ovens

Dust Collection Equipment

- Dust Collectors
- Filters (Cartridge and Bag Types)
- Down Draft Benches
- Oil and Mist Collectors
- Rotary Valves
- Pulse Valves
- Timer Boards

Industrial Parts Washers

- Rotary Barrel Style
- Conveyor Style
- Immersion Style
- Spray Style
- Ultrasonic Style

Fixturing and Masking

- Vibratory Applications
- Blasting Applications
- Thermal Spray Applications
- Heat Treat Applications

Consulting and Training

- New Equipment Planning
- Process Improvement
- Machine Surveys/Inspections
- Blast Operator Training
- Vibratory Finishing Training
